SOCIALISTS IN GERMANY TALK PEACE MEETING

Independent Socialists Ask Quick Reichstag Meeting.

NO SEPARATE PEACE

Want Discussion of Bolshevik Proposals for Peace.

(Associated Press Leased Wire) London, Nov. 16.—The independent socialist group in the German reichstag has requested an immediate session of the reichstag to discuss the offer of Nikolai Lenin, leader of the Russian Bolsheviks, the Amsterdam correspondent of the Central News cables.

The independent socialists also ask that the reichstag take up consideration of the new state of affairs as regards Courland, Lithuania and Poland.

MEAT 88 PER CENT ABOVE NORMAL NOW

DEPARTMENT OF AGRICULTURE SHOWS COMPARATIVE FIGURES.

(American Press Leased Wire.) Washington, Nov. 16.—SHRDS at meat animals, such as hogs, cattle, sheep and chickens, were 82.2 per cent higher on Oct. 15 than a year ago; 87.3 per cent higher than two years ago and 88.1 per cent higher than the average of the last seven years on that date, the department of agriculture stated.

FLEET FOR U. S. IN 30 DAYS

Edison Suggests Engines Be Installed in Sailing Ships.

Washington, Nov. 16.—Thomas A. Edison, chairman of the naval consulting board, and Henry Ford went to Chairman Hurley of the shipping board with suggestions for providing an emergency fleet of steamers almost overnight.

Mr. Edison suggested the government take over all American sailing vessels and convert them into twin-screw steamers, wherever practicable. It was said many could be converted within thirty days.

Mr. Ford offered to turn his automobile plant over to the shipping board for any use desired. It was said he might be able to supply enough parts for the machinery of all vessels converted according to Mr. Edison's idea.

Mr. and Mrs. E. R. Lerch have moved from Route 1, Chana, to Route 4, Dixon.

Mrs. Oscar Orner of Franklin Grove traded in town Thursday.

Miss Young is assisting at the Beehive.

Lee And Ogle Counties Are Behind In Campaign To Raise Quota Of Y Fund

Reports from Army Y. M. C. A. campaign from District No. 2 are not complete but below are given the results of the work in the various townships of Lee and Ogle counties up to Thursday noon, November 15. The report from Dixon teams is not complete. Men are working and fail to report progress. There is approximately \$2,000 to raise to secure Dixon's quota and, as is the case in all financial campaigns, the last \$1,000 comes hardest. Therefore, all workers are urged to continue the solicitation and every one caring to contribute will confer a favor upon the workers by leaving contributions at the following places: The three banks, Campbell's drug store, Sterling's drug store, A. L. Gessenheimer & Co., O. H. Martin & Co., Kennedy cigar store, and Stratton & Covert's and Fleming's and Jones' grocery stores in Dementown.

Practically every township in both counties is organized and at work and reports for the next four days will bring subscriptions up to the \$35,000 required. The results of the campaign throughout the state is given below and a national total of contributions up to midnight of No-

NOSE BROKEN; AUTO MISHAP

Frank Bishop suffered a broken nose Thursday evening while riding with Harvey Miller in his automobile. Mr. Bishop was seated alone in the rear seat of the machine when it passed over a big bump in the road and he was thrown against the bow of the top.

DIXON LODGE PAYS ITS WAR ASSESSMENT

LOCAL ELKS CONTRIBUTE TO BIG FUND FOR RELIEF WORK.

Local Elks are feeling a great deal of pride in the fact that the Dixon lodge's assessment of \$2 per member to provide the \$1,000,000 war fund voted by the Grand Lodge has been paid out of the general fund of the lodge, making it unnecessary to levy an individual assessment against each.

The work of the Grand Lodge in the war relief campaign is worthy of note. A great part of the \$1,000,000 will of course, be spent in France, but one feature of the work to be conducted in this country is winning considerable praise. It is the establishment of a school at Boston, at a cost of \$250,000, at which wounded soldiers whether Elks or not, returning to this country, who are unable to continue in their former line of employment, will be educated in other professions or trades in which they will be able to support themselves.

TURKEY SHOOT AT STEWARD SOON

The Steward Gun Club has announced a big poultry and prize shoot at its club grounds Thanksgiving day. In the morning a 75 target program, five 15 target events, will be carried out, and in the afternoon the turkeys, ducks, geese and chickens will be the prizes. The Steward Gun club shoots are always great events and the coming holiday event will without a doubt be one of the best.

COAL PRICES TO ABIDE RULINGS

(Associated Press Leased Wire.) Washington, Nov. 16.—Coal jobbers and wholesalers were prohibited today by Fuel Administrator Garfield from selling coal at prices "subject to revision." Hereafter all sales must be made at the government price without any provision for revision.

TORPEDO KILLS TWO ON SHIP

Vice Admiral Sends Account of Steamer Rochester's Sinking.

Washington, Nov. 16.—Second Engineer Soudan and an older named Anderson were killed by the explosion of the torpedo which sank the American steamer Rochester November 2. Vice Admiral Sims cabled the navy department.

After the crew had taken to three small boats the submarine appeared and later signaled to two others that have in sight, but they did not fire on the boats, two of which made shore safely.

The third, containing Capt. Eric Kerkert, 16 of his crew, and five naval gunners, was adrift five days before being picked up by a British patrol boat.

BROTHER IN FRANCE.

Clarence Resek of Dixon has received a postal card from his brother, Alfred Resek, chief gunner's mate in the United States navy, sent from Brest, a French seaport.

FIND ILLINOIS BOYS IN GOOD CONDITION

Governor Lowden and General Dickson So Report.

WELL TAKEN CARE OF

(Associated Press Leased Wire) Springfield, Ill., Nov. 16.—Illinois troops at army cantonments are provided with everything necessary for their welfare and happiness, according to Frank S. Dickson, adjutant general of Illinois, who visited the camps in company with Gov. Lowden and other state officials.

"The men have plenty of good, wholesome food and they are splendidly taken care of physically and mentally," Gen. Dickson said. "So far as my observation went the boys were much interested in what they were doing and really seemed to enjoy military life."

The adjutant general said a marked improvement was apparent in the physical condition of many men that were known to him before mobilization of the army.

"I knew boys here in Springfield who were stoop-shouldered and emaciated for lack of proper exercise and care before entering the army," said he. "I saw some of those fellows at Camp Logan in Texas and scarcely recognized them because of the difference in their appearance. Down there they have become square shouldered, straight, upstanding men with an abundance of vitality. Army training has re-made them."

General Dickson told of the Soldiers' club at Louisville, Ky., supported by the people of the city for the enlisted men of Camp Zachary Taylor where many Illinois men are in training. Three floors of a big building in the downtown district, he said, are reserved for the soldiers as a recreation center. Officers are not allowed to frequent the club because of the spirit of restraint they might exercise on the men.

No women are allowed in the club rooms except the mothers or sisters or wives of the men, General Dickson said.

Reading rooms, shower baths, billiard tables and card rooms are provided and a cafeteria is at hand so good food may be obtained at cost. No expense is attached to the cafeteria.

General Dickson and Gov. Lowden visited Camp Grant, Rockford, Ill.; Camp Dodge, Des Moines, Ia.; Camp Zachary Taylor, Louisville, Ky., and Camp Logan, Houston, Tex.

MISS ENGLISH'S FUNERAL TODAY

The funeral of Miss Hannah English, who passed away Wednesday evening at the home of her sister, Mrs. Marguerite Conley, was held at 10 o'clock this morning at St. Patrick's Catholic church, Father Foley officiating. A large number of friends gathered to pay their tribute and many followed the remains to Rockford cemetery, Amboy, where interment took place, the funeral cortege being overland.

U-BOAT DANGER NOT OVER YET

(Associated Press Leased Wire) Washington, Nov. 16.—Naval experts, it was made plain today, do not agree with the view that the lull in submarine activities indicates a collapse of the U-boat campaign or that anti-submarine measures have proven wholly effective. The American navy will continue its preparations to deal with the menace.

COUNTRYMAN RINK.

The Roller Rink will open tomorrow afternoon as usual for the school children, but not in the evening. The re-opening occurs next Monday night. Several new rolls of the latest military music have been secured and the floor put in better condition.

IN COUNTRY GENTLEMAN.

This week's issue of the Country Gentleman carries a fine picture of Captain Bradford Brinton of Dixon, a member of the Officers' Reserve Corps, in charge of the tractor, truck and automobile testing station in Texas.

FINISH INSPECTION.

The jury in the Inlet Swamp Drainage case completed their inspection of the lands involved yesterday afternoon and will now go into conference to arrive at a fair estimate of damages and benefits.

FLEET INCREASED.

Christiania, Norway.—Norway's mercantile fleet increased during September by 12,000 tons but vessels lost represented 34,000 tons. The total Norwegian fleet now comprises 3,265 vessels, aggregating 2,126,000 tons.

ATTENDED DEKALB FUNERAL.

Mrs. Lou Franks went to DeKalb Wednesday to attend the funeral of Mrs. Olida Vernal, mother of Mrs. Wm. Bagg, of that city. Mrs. Vernal was quite well known in Dixon.

if our boys, tired and mud-stained, could only knock at your door tonight, how wonderfully you would minister to them. With what eagerness you would comfort them. You would do this in your homes.

help the war fund of Y. M. C. A. to do this for you in the camps and right up to the firing line—where you cannot go. millions of enlisted men have felt the home touch of the Y. M. C. A. rest homes and gymnasiums. Millions have written letters, played games, read, the Red Triangle. Millions have enjoyed entertainment at the Sign of thanked God for the warm, friendly Y. M. C. A. as a relief from the cold, lonesome camp and trench life.

but it takes millions of dollars to provide these vital home ties. And it takes \$35,000,000 at least needed to carry on this Y. M. C. A. work here and overseas to July 1, 1918. The task is colossal. Your support must be generous.

STORY IS AGAIN VICTIM OF ADS

The Telegraph is again forced to apologize to the readers of "The Ranch at Wolverine" for being forced to omit the daily installment today, the unexpected amount of advertising today making it seem advisable to the publishers to omit the story rather than an equal amount of news matter.

PRIEST'S FUNERAL WAS LARGEST IN HARMON

PROCESSION OF AUTOMOBILES TO DIXON NEARLY TWO MILES LONG.

The funeral of Father P. H. McKeon of St. Flannan's parish, Harmon, held Thursday morning at his church, was the largest in the history of that township. Thirty-six priests of the Rockford diocese attended and the line of automobiles which followed the remains to Dixon was nearly two miles in length. Father Quinn has been deputed to prepare an account of the late clergyman's life and the obsequies.

MANY WOMEN EMPLOYED.

London.—There are now 700,000 women employed in munitions works in this country, as against 140,000 in 1915. The number of men employed shows an increase during the same period of 66.6 per cent.

The war office is calling for about 12,000 women a month for service at home and abroad, many being especially wanted in the aerodromes and airplane repair shops.

Arrangements are being made for the establishment of hostels all over the country for women. When they are passed through the selection boards they go to the hostels, get their uniforms and are then drafted into their camps. Pay varies from \$5 to \$10 weekly with uniform.

TO VISIT RELATIVES

James H. Thompson, who has been visiting his son, W. C. Thompson, for several days, has gone to Pawpaw, from which place he will go to Chicago and Milwaukee to visit other relatives. He will return to Dixon for a short stay before returning to his duties at the Fayetteville National cemetery.

CALLED TO DEKALB.

Mrs. John Nagle, Mrs. John Heft and Miss Elizabeth Long were called to DeKalb Thursday night by the serious illness of their father, Michael Long, who was taken to the DeKalb hospital for an operation. He was resting somewhat easier this morning.

H. S. NIGHT AT FAIR.

Tonight will be high school night at the Catholic fair in progress this week at Oshtemo's hall and it is expected the young people will be out in great force. Ladies' night was a big success, the fair patrons demonstrating that they could set the pace just as well as the men.

NOTED PAPER PRAISES BLACKBURN COLLEGE

GIVES ITS SUPPORT TO ASSIST THE GREAT SELF-HELP INSTITUTION.

Concerning Blackburn College, of which Rev. Benjamin Michie Brown, extension secretary, will deliver an illustrated lecture at the Presbyterian church Sunday evening, the Herald and Presbyter of Cincinnati says:

There are many colleges bidding for the children of the rich and willing to educate, as a sort of by-product, a few young people without means, but there is no college in the state that bids for the large and worthy class of young people who are unable to attend college because their parents are not rich, or because they lack the peculiar business instinct that enables some to make their living anywhere. They are just as willing to work, just as good citizens, just as good students, and make just as good citizens.

The trustees have voted to spend at once \$10,000 on the plant, that this plan may be in operation next year. The dormitory will then be opened with new furnishings and will be placed in charge of a trained instructor in domestic science. Under her direction the work in the dormitory will be done by the young women, and in this way they will be taught the art of home making in the most practical manner and will be able at the same time to earn a large part of their college expenses. The college farm, a fine piece of well drained, black prairie land, will be operated by students under the direction of an expert in agriculture. By this plan the young men will learn the science of agriculture, a very important subject these days, and will also reduce their expenses. By combining these plans and serving the meals in a college commons for both sexes, the cost of living will be reduced, to a minimum. In this way the college will combine the opportunities of earning and learning.

The ladies' committee in charge of the supper-dance-card party to be given at the Elks club next Tuesday evening will meet at the club at 7:30 o'clock this evening to make final arrangements for the event.

LAD RUN OVER BY MILK CART

Kenneth, the five-year-old son of Mr. and Mrs. A. H. Knaple of Sterling, formerly of Dixon, was run over by one of Hay Brothers' milk wagons while attempting to climb up onto the seat Thursday morning, but fortunately he escaped serious injury. No bones were broken and aside from a few bruises he is none the worse for his experience.

STOPPED SHIPMENTS THREATEN DENMARK

DANISH OFFICIAL HAS WARNED DENMARK TO REMAIN NEUTRAL.

(American Press Leased Wire.) Copenhagen, Nov. 15 (Delayed).—Minister of the Interior Oyeboe who is in close touch with the conditions underlying the negotiations with the United States, today emphasized the necessity of Denmark maintaining its trade relations with both belligerents in the interests of its commercial neutrality and economic conditions. "I do not believe it is realized in the United States as to what degree the cessation of supplies from America threatens Denmark with ruin," he said.

FARM AND UNION TO UNITE FOR THE WAR

ASKS UNION LABOR AND FARMERS TO JOIN TO AID IN WAR WORK.

(Associated Press Leased Wire.) Buffalo, N. Y., Nov. 16.—A pledge from the farmers to join hands with union labor to help win the war was given at today's session of the American Federation of Labor by A. C. Townley, president of the Farmers' Non-Partisan League, and L. V. Strayer, second vice president of the National Farmers' congress. President Townley urged the Federation to co-operate in putting field and factory war products on the market at lower prices and in greater quantities.

DOLLARS FLOOD INTO TREASURY

(Associated Press Leased Wire.) Washington, Nov. 16.—Liberty Loan dollars were piling into the treasury today in a steady stream of such volume that it was physically impossible to count them. The net balance was estimated at about \$1,500,000,000. Only \$655,000,000 of an 18 per cent payment was due out of hundreds of thousands of subscribers paid in full.

FOR SUPPER-DANCE.

The ladies' committee in charge of the supper-dance-card party to be given at the Elks club next Tuesday evening will meet at the club at 7:30 o'clock this evening to make final arrangements for the event.

BERLIN CLAIMS CAPTURE.

(Associated Press Leased Wire.) Berlin, Nov. 16.—The town of Clamona on the northern Italian front, has been captured, the war office announces. Near the Adriatic, on the western bank of the Piave, Hungarian troops advanced and captured 1,000 Italians.

ITALIANS FLOOD INVADING FOES IO BIG TORRENT

Coupe of Italian Engineers Drowns Germans Out.

SITUATION FAR BETTER

Teutons Dislodged From Positions on Piave River.

(Associated Press Leased Wire.) Italian Headquarters in Northern Italy, Thursday, Nov. 15. (Delayed).—The flood gates of the Piave and Sile have been opened by Italian military engineers and the enemy is now faced by inundation.

The flood was loosed at the point where the enemy succeeded in crossing the Piave, near Grisolera (four miles from the coast), and the whole region where he gained lodgement is now under water.

The inundated territory forms a huge triangle about twelve miles on each side. The enemy has been driven back but still held on within this triangle until the water was released over the low-lying plain.

The inundation interposes a barrier of water twelve miles across and several feet deep.

Reports which have reached headquarters from other points on the front are also favorable.

Hold Their Ground.

Rome, Nov. 16.—All around the mountain front from Asiago to the Piave river the attacks of the Austro-Germans have been repulsed. It is announced officially that the positions attacked yesterday remained in the hands of the Italians.

Gain on Turks.
London, Nov. 16.—The British army which is pursuing the Turks along the coast in Palestine has made further substantial gains, the war office announces. It has reached a line from Ramleh Ludd to a point three miles south of Jaffa.

Hits on Constantinople.
London, Nov. 16.—During a recent air raid over the Gallipoli peninsula and Constantinople by British naval aviators, the former German cruiser Goeben, now the Turkish warship Sultan Selim, was hit, and a large explosion caused, it was officially announced today.

A vessel named the General, and reported to be the German headquarters at Constantinople, was twice

Men Ready for Service.

"The military needs of the nation require that there be provided in every community a list of names of men who shall be ready to be called into service at any time. The economic needs of the nation, while deferring to the paramount military necessity, require that men whose removal would interfere with the civic, family, industrial and agricultural institutions of the nation shall be taken in the order in which they best can be spared. For this reason the names of all men liable to selection shall be arranged in five classes in the inverse order of their importance to the economy interests of the nation, which include the maintenance of necessary industry and agriculture and the support of dependent citizens.

"The group of registrants within the jurisdiction of each local board is taken as the unit to be classified. Within each class the order of liability is determined by the drawing, which has hitherto assigned to every man an order of availability for military service relative to all men not permanently or temporarily exempted or discharged.

Call All Class 1 First.

"The effect of classification in Class 1 is to render every man so classified presently liable to military service in the order determined by the national drawing. The effect of classification in Class 2 is to grant a temporary dis-

charge from draft, effective until Class 1 in the jurisdiction of the same local board is exhausted. The effect of classification in Class 3 is to grant a temporary discharge from draft, effective until Classes 1 and 2 in the jurisdiction of the same local board are exhausted; and similarly Class 4 becomes liable only when Classes 1, 2 and 3 are exhausted. The effect of classification in Class 5 is to grant exemption or discharge from draft. The term 'deferred classification' as used in these regulations is equivalent to the term 'temporary discharge.'

DRAFT EXEMPTION CANCELED BY U.S.

Class Two to Be Called Only After Class One Is Entirely Exhausted.

RULES IN EFFECT NOV. 20

New Regulations Announced by General Crowder—Classification of Registered Men Will Start at Once.

Washington, Nov. 16.—All exemptions and discharges in the first draft will be canceled by the new regulations that take effect November 20.

The new regulations announced by Provost Marshal General Crowder call for the classification of all registrants not now in the service. The process of selection and classification will begin on December 15.

Under the new system only 19 forms will be used by the local boards. Most of them are postal card forms. The old system used approximately 180 complicated forms.

Crowder Issues Statement

In a preliminary statement issued here the provost marshal general says: "The new regulations not only repeal all preceding regulations, but cancel all exemptions and discharges which have been granted by local boards under the present system. This will restore every man to his original status, and the local boards will send a questionnaire to every man who is not in the service."

"Under the new regulations the local boards will send out 5 per cent of their questionnaires each day for a period covering 20 days. This method of distribution will allow the local boards, with the aid of their legal advisory boards and other volunteers, to instruct complete and file each day's questionnaire without the confusion and congestion which would attend the effort to require a larger number."

What Does Cash and Carry Mean to You?

It means you are not paying interest on money that someone else is using; that you are not paying for groceries you have not bought; that you are not paying for accommodations given to others; that you are not paying for the upkeep of horses and wagons that you do not use; that you are not paying a bookkeeper whom you do not need; that you are not helping to pay the bill that allows your merchant to make a good fellow of himself by extending long credits.

In short, it means you are perfectly willing to pay for what you get and that you are perfectly willing the other fellow should do the same.

Class Meeting.
The regular business and social meeting of the E. R. B. class of St. Paul's Lutheran church was held at the home of Mr. and Mrs. Burt Robinson last evening, with about twenty members and four guests present. Miss Long opened the session with Bible reading. The roll call was responded to by each member recounting something for which he was thankful. Class plans were discussed and among other things arrangements were made for a Christmas party, to be held some time in December. Miss Helen White gave a charming reading entitled "Crossing the Bar." The class, as a money-making project, has taken up the sale of Eggine, a substitute for eggs in baking. The enjoyment of the dainty refreshments served during the social hour, closed a pleasant evening.

To Spend Sunday
Mrs. Wm. Clementz of Prophets-town will be here to spend Sunday with her sister, Mrs. Geo. Fruin.

Entertained Class.
Mrs. George Beckingham, assisted by Mesdames Pearce and Davis and Miss Blackman, entertained the members of the Sunshine class of St. Paul's Lutheran church at the monthly business and social session Thursday evening. A short business session was followed by a delightful musical program. Refreshments were served in cafeteria style in the dining room. The table was crossed by bands of blue and gold ribbons, the class colors, southern smilax bordered the table and surrounded the cut glass vase of pink roses which adorned the center of the table. The effect was especially beautiful. Forty members were present and enjoyed the delightful evening.

Dixon S. S. Convention.
The annual convention of the Dixon Community Sunday School association will be held in the Baptist church on Tuesday evening, Nov. 20, at 7:45.

Practical Club Met.
The Practical club met Thursday afternoon with Mrs. C. A. Buchner, 317 E. Everett street, and held one of the pleasantest meetings of the year. Nearly all the members and one guest, Mrs. Charles Houghton of Boston, who came as the guest of Mrs. Anderson, were present. Roll call was answered by the giving of current events and an very interesting story, "The Little Flag Bearer," was read by Mrs. Lester Street. The club decided to change the day of meeting from Thursday to Tuesday and begin with the meeting of Dec. 4th, with Mrs. Kleppinger, the club will meet every alternate Tuesday. Dainty refreshments were served by the hostess, yellow and white chrysanthemums were attractively disposed about the house.

For Boys of Camp Logan.
The benefit dance of the coming Wednesday evening at Rosbrook hall for the Camp Logan Dixon boys. Thanksgiving dinner was resolved itself into a "hard times" dance when all comers are expected to don clothing suitable to hard times. Everyone is invited to help give the boys a bumper Thanksgiving dinner.

The box, which is to contain all sorts of Thanksgiving goodies—no turkey, as the government furnishes this—will be packed Thursday, Nov. 22, and anyone who desires to send any delicacy to any one of the boys or the entire group is asked to bring the donation to the home of Mrs. Lucy Rosbrook, 516 First street, where the box is to be packed, or notify any member of the committee. Mrs. Rosbrook, Mrs. John Hettler or Mrs. George Massen, by telephone and arrangements will be made for their collection. A number of people who do not dance are giving money contributions, and these are gratefully received, though none will be solicited.

The Marquette orchestra will furnish the music for the "Hard Times" dance on Nov. 21st and all who hope to have a share in a pleasant Thanksgiving for our boys at Camp Logan are invited.

G. A. R. Circle Officers.
Officers of the G. A. R. Circle will meet at the hall this evening at 7:30 o'clock for practice of drills in preparation for the inspection of the Circle, which will be held on next Monday evening.

L. O. O. M. Open House.
Member of the Dixon Loyal Order of Moose will open their new home to the public on Thursday evening, Nov. 22, with a public dance. The people of Dixon will be glad of this opportunity.

Friendly Club Elects.
The members of the Friendly club of Sublette met Thursday afternoon at the home of the president, Mrs. Wm. Oester, and held the annual business meeting. Officers for the ensuing year were elected, as follows: President, Mrs. Chas. L. Hatch; Vice president, Mrs. Andrew Long; Secretary-treasurer, Mrs. Fred Reis; Assistant sec.-treas., Miss Lina Clark.

The retiring officers were: Mrs. Wm. Oester, president; Mrs. Fred Reis, vice president; Mrs. Sam Leffelman, secretary-treasurer.

The society voted \$25 from its treasury to the Y. M. C. A. Army camp fund and an individual subscription taken from the members at the meeting amounted to \$16 more.

"SERVE BY SAVING" THE AMERICAN WOMAN'S SLOGAN

Editor's Note—The articles appearing in this paper under the above caption are supplied by the U. S. Food Administration as a practical help to the American woman "in doing her bit."

EMERGENCY BREADS.
Emergency breads, Eat them. Have your family eat them. Tell your neighbor to eat them. If we all eat emergency breads now we will never have to eat coarse black war bread, and the allies can have white bread at least once each day.

And what are these new breads? Nothing really new, only all breads in which barley, rye, oatmeal and corn meal are used for part of the wheat are called Emergency breads now because they save white flour, and every cup of white flour we can save to ship to our allies means that victory is just so much nearer. If we can substitute one-fourth of some other cereal for that much wheat, the accumulated saving will be a tremendous help.

For us to eat other breads beside wheat bread is a small thing to do toward "making the world safe for democracy," isn't it? But this little effort on our part, multiplied by millions, will surely reap a rich reward.

Even eliminating white breads, we still have a great variety from which

for the same fund. The subscription was taken under the direction of Mrs. George Crawford, who is one of the ladies having charge of the women's drive for the Y. M. C. A. fund in Sublette.

The next meeting will be held on Wednesday, Nov. 21, at the home of Mrs. Philip Erbes.

On Honeymoon.
Mrs. George Crawford Sr. of Sublette entertained this week her grand son and his bride, Mr. and Mrs. Geo. Crawford Jr., who were there on their honeymoon.

K. & L. of Security.
The Knights and Ladies of Security will meet this evening at Miller's hall.

Plan Hostess House.
Chicago: The federated club of women of Illinois at their meeting on Wednesday appointed a war emergency committee to manage three important contributions to training camp comfort and recreation.

The first is providing and maintaining suitable headquarters for women visiting soldiers at Rockford. Financing, maintaining and supervising of a soldiers' club in Rockford is the second and the third is paying for a recreational director to plan and have charge of the work of soldiers and sailors in Waukegan, under Y. M. C. A. direction.

The 565 clubs in the federation will raise the money by a per capita tax on members of 25 cents and in other ways to be determined by each club.

It is interesting to note, in connection with the above item, that Camp Logan, Houston, Tex., in which Dixon people are equally interested with Camp Grant, Rockford, has its Y. W. C. A. hostess house, opened Wednesday, Nov. 7. The purpose of this hostess house is to give rest, recreation and refreshment to all ladies visiting the camp. In opening the house the committee in charge impressed upon the soldiers at Camp Logan that the hostess house is one place where official rank has not been considered but that all families represented in the camp are to enjoy its privileges, comforts and pleasures.

To Save Sugar.
Here are some of the ways suggested to save sugar to avoid a pos-

sible sugar famine, as no more sugar will come in for several weeks:
Less sugar in beverages, usually oversweetened. One cube or teaspoonful of sugar is enough for one cup of tea or coffee.
Use more fruits, both fresh and dried, in the place of sweet puddings.

The following is a recipe for bread "the kind that mother used to make" in an old New England family. This is unusual in that no white flour is used.

Rye and Corn Steamed Bread.
1 3-4 cups sweet milk
1-2 cup molasses
1-4 teaspoon soda
3 teaspoons baking powder
1-2 teaspoon salt
1 1-2 cups cornmeal
1 1-2 cups rye flour.

Directions: Sift the dry ingredients. Add the milk to the molasses, and stir the mixture into the dry ingredients. Mix well and steam in a double boiler. Make one good sized loaf or two small ones. Steam large loaf two hours. Steam small loaves 1 1-2 hours. Turn out on tins and set in hot oven a few minutes to dry, or serve at once.

If preferred, or if more convenient 2 cups of sour milk may be used. In that case use 3-4 teaspoon soda and 1 teaspoon baking powder.

THE MEANING OF LIBERTY TO LABOR.

"What is liberty?"

"I have long had an image in my mind of what constitutes liberty.

"Suppose that I were building a great piece of powerful machinery,
and suppose that I should so awkwardly and unskillfully assemble the
parts of it that every time one part tried to move it would be interfered
with by the others, and the whole thing would buckle up and be checked.
Liberty for the several parts would consist in the best possible assembling
and adjustment of them all, would it not?"

"If you want the great piston of the engine to run with absolute free-
dom, give it absolutely perfect alignment and adjustment with the other
parts of the machine, so that it is free, not because it is let alone or isolated,
but because it has been associated most skillfully and carefully with the
other parts of the great structure.

"Human freedom consists in perfect adjustments of human interests
and human activities and human energies."

When Woodrow Wilson gave utterance to the above sentences more
than four years ago he little dreamed that he would be called upon to
construct a great war machine to help win for human freedom in the world
a perfect adjustment of human interests, activities and energies.

That same conception of liberty he held up before the delegates to the
convention of the American Federation of Labor in Buffalo Monday, and a
few hours later orders went out from Buffalo to all federation members on
strike in plants on government work to go back to their tasks pending an
adjustment of their troubles.

The great American war machine, if one part tries to move and
another stands still, will buckle up and be checked.

But if that machine is free not because of the isolation of its several
parts but because of their close association, then it will run without friction
and for all time.

A thorough understanding of and compliance with that advice will
help and not hinder the men in the trenches in France, for upon them the
burden is placed.

The president uttered a great truth when he said, "Nobody has a right
to stop the processes of labor until all methods of conciliation have been
exhausted."

Suitable laws containing the essence of that declaration and sensibly
administered, will do more than any other one thing to insure the proper
adjustment of our great war machine and bring us the victory.

GOVERNMENT BY TELEPHONE.

"Great news from Petrograd," cry the Russian newsboys as the people
wait in breathless silence for news of the very latest crisis. "The Bolsheviks
have captured the telephone station."

Immediately there is applause as the people line up along the curb and
await the coming of the conqueror.

A few hours later:

"More great news from Petrograd. Kerensky has regained possession
of the telephone station."

The crowd shifts to another corner.

A little later:

"Korniloff is heading for the telephone station."

Another shift.

From appearances, capturing the telephone station in Petrograd is
equal to Wellington's defeat of Napoleon at Waterloo.

An American newspaper correspondent just from Russia says the
people would rather listen to a soap box orator than answer a battle cry.

Every Russian leader of consequence since the revolution, as soon as
he gets in power, stretches forth his appealing arms and cries in the words
of the ancient:

"Bid me discourse, I will enchant thine ear."

And comes the answer quickly.

"With thee conversing I forget all time."

And think of having a job in the telephone exchange. You'd have a
new boss every few hours, and you'd wear a shrapnel helmet while at work,
if you lived.

WHY NOT IN DIXON?

The Aurora Beacon-News tells of a plan of education for adults which
is to be put into operation in that city, and which should be in operation in
every city in America, including Dixon. The Beacon-News says:

Registration of women in Aurora is to be followed up by a very practical
application.

Commencing next Tuesday night, a course of business lessons will be
given at the West Aurora High school Tuesday and Thursday nights of each
week under the direction of Prof. J. R. Hadley, head of the commercial
school of West High, and other teachers.

Everybody in Aurora is cordially invited to join these classes in short-
hand, typewriting, bookkeeping, penmanship, spelling and business English.

Women and girls will be especially welcomed on account of their
ability to take up government work if needed, but men and boys also will be
received on the same terms.

There is a small fee which will just about cover the incidental expenses.
At Keokuk, Iowa, a similar school was started recently. Four classes
meet every week. There is a total enrollment of fifty-one in the beginner
classes and fourteen in an advanced class in which young women are pre-
paring for governmental examinations.

There is every reason for believing that the people of Aurora particu-
larly the young, will be missing a splendid chance if they do not enroll
as students.

Professor Hadley may be reached at the high school any time during
the day and will be at the high school building Thursday and Friday nights
this week.

When you give to the Y. M. C. A. war fund this week, you give to a
cause that will do more good for the well being and safe return of your boy
than anything else you could do.

Are you conserving wheat, and meat, and sugar, and other foods that
are needed to win this war? You are not a patriot if you are not.

Life in Russia is just one revolution after another.

EVERY one of our co-workers understands that the best way to serve us is to serve our customers. That makes it easy all 'round; we know quality, style, value; we buy with the idea of customers' service; we sell in the same way. Satisfaction guaranteed.

"Where Shall I Buy My Next Suit?" Here's the answer

You expect somebody to get ready for you the clothes you are going to buy and wear; the only question for you is: "Who will do it best?"

We've searched the best style centers and we believe there is no other place in this city where more real good all-wool values can be had.

In suits, for example, there are the Hart, Schaffner & Marx military sport models, the Varsity Fifty-Five designs; some very beautiful cloths and styles at \$22.50, \$25, \$30, \$35; many silk lined.

Young men will find here the smart things they are looking for this fall--more conservative models for men--\$20 to \$35.

Now's a good time to lay in a supply of Clothes; there's not going to be cheaper for a long time.

Why Pay Money for Soap?

When You Can Make Your Own

Do you know that you can make 15 bars of purest, beautiful white soap for less than the price of manufactured soap?

Why pay the new, increased prices for ready-made soap, when from the waste fats and greases that now go into your garbage pail, you can make all the soap you need with a can of EAGLE High Test LYE?

Be consistent in your economy. Do not squander for soap the money you save on the table.

Get a can of EAGLE LYE today—at your grocer's. Read the simple, easy directions for making your own high-grade white soap for a fraction of the usual cost.

Use EAGLE LYE throughout the house to defend your family against the dangers that lurk in clogged drains, insanitary closets and foul garbage receptacles. EAGLE LYE is the only satisfactory and harmless substitute for "elbow grease" in washing clothes and keeping clean and brilliant silverware and cooking utensils, kitchen sinks, bath tubs and wash basins, window panes and woodwork.

EAGLE LYE makes housework fly.

No matter what other soaps and cleansers you use, your house is not armed against germs and their perils unless you also use EAGLE LYE.

For greater economy, and for home protection, get a can today. Be sure to order by name, EAGLE LYE—standard for 50 years.

SPECIAL ASSESSMENT NOTICE OF SUPPLEMENTAL ASSESSMENT LEVIED TO PAY DEFICIT ARISING UNDER CITY OF DIXON LOCAL IMPROVEMENT ORDINANCE NO. 179, SERIES OF 1916.

Notice is hereby given to all persons interested, that the Council of the City of Dixon, a municipal corporation, in the County of Lee and State of Illinois, has by Local Improvement Ordinance No. 179, Series of 1917, Supplemental, passed by the Council and approved by the Mayor of said City of Dixon on the 2nd day of October, A. D. 1917, provided for the levy of a supplemental special assessment to pay a deficit of \$1,577.88 arising under City of Dixon Local Improvement Ordinance No. 179, Series of 1916, which last mentioned Ordinance was passed by the Council and approved by the Mayor of said City of Dixon on the 15th day of January, A. D. 1916, and provided for the construction of a cement concrete roadway pavement on Fourth Street, Sixth Street, Jackson Avenue and Van Buren Avenue, and cement concrete curbing and cement concrete driveways on Fourth Street and Van Buren Avenue in said City of Dixon, Illinois.

That said Ordinance providing for said supplemental special assessment is now on file in the office of the City Clerk of said City of Dixon, Illinois; that application has been made to the County Court of Lee County, Illinois, for the assessment of an amount sufficient to pay the deficit arising under the original Ordinance and estimate therefor according to benefits as provided by law and said Ordinance of October 2, 1917; that an assessment roll levying such supplemental special assessment has been made and returned to said Court, and that the final hearing thereon will be had before said Court in the County Court room in the Court House, in the City of Dixon, in the County of Lee and State of Illinois, at 9 o'clock in the forenoon on the 3rd day of December, A. D. 1917, or as soon thereafter as the business of said Court will permit.

All persons desiring may file objections to said assessment in said Court, before said time, and may appear at said hearing and make defense. Said supplemental special assessment is payable in seven (7) annual installments, and all installments bear interest at the rate of five (5) per cent per annum, according to law, until paid.

Dated at Dixon, Illinois, this 12th day of November, A. D. 1917.

SOCIETY

(Continued from Page 3)

Substitute salads for desserts. Do not use sugar on cereals. Serve dates, figs or raisins with them.

Do not frost cakes. Give preference to cakes which may be sweetened by molasses and sirup.

Confectionery made of granulated sugar should not be used at this critical time. Use glucose, corn sirup and maple sugar in home made candies.

Caramels and hard candies from shops contain a large amount of glucose. Bonbons and creams are made mainly from cane sugar.

Use the fruits and preserves you put up last summer. This is the emergency for which you prepared them.

Never forget that sugar is a necessity. In conserving it you are not conserving a luxury, but an important food.

Candies containing little or no granulated sugar are recommended. Molasses, honey, maple sugar, raisins, dates and other natural sweets, and commercial cocoanut, which is already sweetened, make good bases for war candies.

Dorcas Society Met.

The Dorcas society of the Congregational church held a business meeting at the church Thursday afternoon at which the pastor, Rev. John Dornhoefer, presented plans whereby the society might raise money for church work.

Club Luncheon.

Members of the Inter Nos Circle were entertained at a daintily served two course luncheon at the home of

Mrs. Fred Hoberg on Thursday afternoon. White chrysanthemums adorned the table. All members who could possibly come took advantage of the pleasant afternoon to enjoy Mrs. Hoberg's charming hospitality.

Congregational Choir.

The choir of the Congregational church will meet for rehearsal this evening at the church.

Make Home in Rockford.

Mrs. Benj. Shaw and daughter have gone to Rockford to reside. The husband and father is employed as motorman on the Rockford street car system.

Prairieville Social Circle.

Quilting and sewing rag rugs occupied the members of the Prairieville Social Circle, meeting in the church parlors Wednesday and, although it may sound prosaic, the members had a good time as busy people usually do. At noon a scramble luncheon was enjoyed. Because Thanksgiving comes so near the regular meeting date, the meeting has been set a week ahead and will be held at the church Nov. 21, when the quilting will be complete, it is anticipated. A scramble luncheon will be served on that date as there will be enough work to occupy the members all day.

At Moss Home.

Miss Mabel Redfern of Chicago, registered nurse, is visiting Mrs. Z. W. Moss.

To Charities.

Mrs. Ralph Zarger entertained the members of the City Altty club at the regular meeting and club luncheon Thursday afternoon. \$10 was voted by the club to the Y. M. C. A. army work, as the club's second donation, \$5 being given some time ago, and one day of next week will be set aside by the members as Red Cross sewing day, when the entire membership will present themselves at the shop to make hospital garments. It is to be noted, also, that the members are doing their share in the knitting line, as more than half had with them as the afternoon's occupation their Red Cross knitting. All members of the club with the exception of two were present and there was one guest, Mrs. Lee Brierton.

Wedding Anniversary.

The 25th wedding anniversary of Mr. and Mrs. John Loftus was happily celebrated at their home Thursday evening by 50 friends. Neither was let into the secret until the ringing of the door bell summoned them to greet their guests, who were happy in the expressions of surprise that filled the countenances of their host and hostess.

With the exception of members of the younger generation, nearly every one present had attended 25 years ago in Amboy the wedding of John Loftus to Miss Katherine McGraw, which the happy gathering of Thursday evening commemorated.

Among these were included Mrs. Thomas Lyons, sister of Mrs. Loftus, who served as bridesmaid 25 years ago; Mr. and Mrs. M. Lally of Dixon, Mrs. Wm. Loftus, mother of a groom of a quarter of a century; the Thomas Lavell family of Amboy and Mr. and Mrs. T. J. Burke of Ohio.

Two children have gladdened the home of Mr. and Mrs. Loftus, Miss Imogene, a student at Shishilwa college, Simiuniwa Mound, Wis., and was unable to attend the anniversary celebration, and William, who is home.

Cards, war talk and recounting incidents of the wedding busied the elders during the early part of the evening, while the younger folk prepared for service an elaborate two course supper, which was served at 10 o'clock. The guests were seated at four large tables and just as they were comfortably seated Chas. Kearney, a friend of the family, who remained standing, presented in apt and eulogistic language the honored couple with a chest of most beautiful silver, a dozen of each articles, as a token of the regard in which the guests hold Mr. and Mrs. Loftus. A handsome wedding cake with burning candles, adorned the table at which the bride and groom of 25 summers and winters were seated, and remained uncut until the candles, burning low, reminded the guests enjoying the supper and the festivities, how late the hour. Congratulations and best wishes ended an evening of delight to all.

The out of town guests included Misses Maude and Molly Connell of Chicago, Mr. and Mrs. Thomas Lavell and daughter, Miss Neil, and Mr. and Mrs. Thomas Lyons of Amboy; Mr.

and Mrs. T. J. Burke of Ohio and Mr. and Mrs. John Lally and family of Walton.

Successful Social.

Members of the Luther League of the German Lutheran church gave a most successful basket social at the church Thursday evening. Thirty-five dollars resulted from the sale of the baskets, each basket going for about two dollars. There were about forty young people present to enjoy the social features of the evening, the box suppers and the games.

To Denver.

Mrs. Charles Plein will go to Chicago tomorrow, where she will join Mrs. W. C. Veldon of Denver and will leave with the latter for Denver, where she expects to spend several weeks.

Oyster Supper.

Mrs. R. R. Hess entertained the members of her millinery force last evening at an oyster supper.

KERENSKY AT CAPITAL

Premier's Forces Massed Close to Petrograd.

Thousands Killed and Wounded in Fighting at Moscow, Gatchina and Tsarkoe-Selo.

London, Nov. 16.—According to a Petrograd dispatch to the Exchange Telegraph company, dated Wednesday, November 14, Kerensky's mixed detachments are concentrated close to Petrograd.

London, Nov. 16.—According to press reports from Stockholm, travelers who arrived in Haparanda, Sweden, from Finland, say rumors are current there that Petrograd is in flames.

Washington, Nov. 16.—Confirmation of the news that Premier Kerensky and his forces are in full control of Moscow has been established by the Italian government, according to a cablegram from the Russian ambassador at Rome to the Russian embassy here. No further information was contained in the dispatch.

Chicago, Nov. 16.—A special cable to the Chicago Daily News dated Petrograd November 13, midnight, says: "The Russian situation is nearing a settlement, a coalition government being the probable outcome. Kerensky has been definitely defeated. A great battle was fought on the outskirts of Petrograd and it resulted in the rout of the provisional government leader, his Cossack supporters fleeing in disorder.

"Gatchina and Tsarkoe-Selo were recaptured by the soviet troops after severe fighting, the casualties, according to advices received here, numbering 2,000. In Moscow, the street fighting has ended in an armistice, after 2,600 persons were killed or wounded.

"The soviet is willing to consider the retirement of Lenin and Trotzky, but demands the fulfillment of its own program, including seats in the new cabinet.

"This, I am told, is the first telegram leaving Petrograd in 24 hours. The telegraphers struck, but they are now returning to work. Petrograd is calm, order having been completely restored.

Stockholm, Nov. 16.—Lieutenant Colonel Mouraviev, commander of the forces defending Petrograd, according to an undated dispatch from Haparanda to the Dagens Nyheter, has issued the following proclamation:

"Kerensky has circulated a false rumor that the troops in Petrograd have gone over voluntarily to the provisional government. The troops of the free Russian people are not retiring and are not surrendering. They only have evacuated Gatchina in order to avoid useless bloodshed and take a defensive position nearer Petrograd. The position now is strong enough to resist forces ten times as strong as Kerensky's. Our troops are in the best of spirits. Order and calm prevail in Petrograd.

25 LASHES FOR PICKPOCKETS

Three Men Will Be Punished by Delaware Officers.

Wilmington, Del., Nov. 16.—In general sessions court, Charles Miller, Harry Gold and Charles Harrison of Philadelphia, who pleaded guilty to pocket picking, were sentenced to six years' imprisonment and 25 lashes each. Fifteen lashes will be administered next Saturday and ten the following Saturday.

Why Do Rifle Barrels Burst?

Although shotguns and rifles are tested with loads which give pressures far above those produced by ordinary ammunition, swollen or burst gun barrels are not uncommon. The cause is either attributed to defective ammunition or to an obstruction in the bore, such as snow or dirt. The pressure of the powder gases themselves are not to blame, for investigation has proved that the swelling or rupture is caused by the compression of the air between the bullet and the obstruction.—Popular Science Monthly.

Stockholm Harbor Always Open.

Although Stockholm is within a few miles of being as far north as Cape Farewell, Greenland, ice breakers keep the harbor open in winter. Petrograd lies almost due east across the Baltic and the Gulf of Finland, a distance of 450 miles. Copenhagen is 330 miles in an air line to the southwest, and the German city of Danzig is the same distance due south.

RHEUMATIC PAINS

QUICKLY EASED BY PENETRATING HAMLIN'S WIZARD OIL.

A safe, harmless and effective preparation to relieve the pains of Rheumatism, Sciatica, Lame Back and Lumbago is Hamlin's Wizard Oil. It contains no chloroform or other dangerous drugs but is composed of the most expensive of healing oils. It penetrates quickly, drives out the soreness, and limbers up the stiff aching joints and muscles.

Wizard Oil is a good, dependable preparation to keep in the medicine chest for first aid when the doctor may be far away. You will find it most daily uses for it in cases of sudden mishaps or accidents such as sprains, bruises, cuts, burns, bites and stings. Just as reliable, too, for earache, toothache, cramp and colic.

Get a bottle from your druggist for 25c and use the medicine. If not entirely satisfied take the bottle back to him and he will return your money.

If you are troubled with constipation or sick headache try Hamlin's Wizard Liver Whips. Just pleasant little pink pills at druggists for 25c. Guaranteed.

MORE GERMAN PEACE TERMS

London Correspondent Says Armistice Is Unlikely to Be Arranged.

New York, Nov. 16.—The New York Tribune today prints a dispatch from Arthur S. Draper, London correspondent, saying, in part:

"The German peace terms are expected to be made public within a few weeks. It is unlikely that an armistice will be arranged, but something akin to it might be considered.

"This is the view not only of pacifists but of those who recognize that the last few months brought an amazing change in the whole war situation."

NAVAL BAND HELPS LOAN

U. S. Organization Marches Through Streets of Windsor, Ont.

Detroit, Mich., Nov. 16.—Canada received help from the United States when, to assist the dominion in the "Victory" loan campaign, the Great Lakes naval band, headed by Lieut. John Philip Sousa, crossed to Windsor, Ont., and marched through the streets. The sailors were joined by Canadian troops carrying American flags.

Socialist Mayor Says Wavering Law-Makers Should Go to Berlin.

Albany, N. Y., Nov. 16.—George B. Lunn, Socialist, mayor of Schenectady and member of congress, addressing the New York State Federation of Women's Clubs in convention, declared members of congress who are wavering over war measures should migrate immediately to Berlin.

"This is no time for middle-headedness; it is the time for courage and clear-thinking," he said.

"I would rather see a Prussian victory than any compromised peace. A compromised peace would mean the deadening of every moral fiber of the nation."

If you cut open a grain-fed hen you will find unlaidd yolks which are due to the lack of white-forming elements in grain feeds. Wheat, corn, oats, barley and kafir contain (above bodily maintenance) elements for an average of 224 yolks and only 154 whites. The hen absorbs the excess yolks, which form fat that cuts down further egg production. Purina Chicken Chowder supplies the white elements.

	Yolks	Whites
Purina Chicken Chowder	182.05	282.55
Purina Scratch Feed	247.49	142.11
Combined Ration	429.54	424.66

Note the perfect balance and the large quantity of white and yolk elements supplied.

More eggs or money back

The money paid for Purina Chicken Chowder will be refunded if hens do not lay more eggs when fed Purina Chicken Chowder as directed with Purina Scratch Feed than when fed any other ration. You take no risk. 99 out of 100 hens eat too much grain which cuts down egg production. Feed the perfect balance—100 lbs. of Purina Scratch Feed to each 100 lbs. of Purina Chicken Chowder and you will actually increase feed and get more eggs.

Purina Feeds come in checkerboard bags only.
